

14 November 1950

STATOTHR

I have received your long and interesting letter which you wrote to me at the suggestion of General Donovan. I am asking for an immediate check on your earlier application and have a review of your case in the light of the information you have submitted.

The offer of your services is very much appreciated, and I shall try to get you some definite answer as soon as may be practicable.

Sincerely yours,

LAWRENCE R. HOUSTON  
General Counsel
